

Consign for GOOD

Dear Potential Consignor,

Thank you for considering consigning with Consign for Good. We are a group that cares deeply about our community and our mission is tri-fold.

First, we are hoping to help families in need of a little extra cash by allowing them to consign at the rate of 70%. We understand the heavy cost of parenting, and hope to put a little cash back into the pockets of families who may have high-quality infant and children items they no longer need. We want to help you to do this as easily as possible. We know that you are busy, and therefore, we do not require volunteer hours in order to consign with us. Please note that we advertise the sale in many different places, including: various websites, church advertising, community boards, Craigslist, pre-schools, daycares, doctor's offices, e-mail, Facebook, local businesses, radio, yard signs, mailers, and by word of mouth.

Second, we are hoping to help families who may need a less expensive alternative to buying new at retail stores. We know how expensive it is to raise children, and are hoping to help families relieve some of the financial stress that often accompanies their little blessings!

Third, and perhaps most importantly, we are passionate about helping those in our community that have fallen upon the hardest of times. That is why the entire 30% that the Consign for Good group retains will go directly back into our community.

The monies raised will be donated to East Penn Neighbors Helping Neighbors, a non-profit group that is helping homeless families with children within the East Penn School District. They are helping these families regardless of race, religion or age. EPNHN is working with these families by providing many services such as help with food, guidance with their finances, career planning and temporary transitional housing. The monies we raise this fall will all go directly towards helping these neighbors in need to get back on their feet. To date, the Consign for Good Sale has been able to donate \$18,000 to EPNHN! If you are interested in learning more about this initiative or to donate directly, please visit <http://www.epnhn.org/>.

We hope you will choose to consign your children's items with us. We are positive that together we can begin to make change for GOOD in our community!

With Gratitude,

The Consign for Good Committee
