

Volunteer Background Checks

Thank you for your interest in becoming a volunteer to support the youth programs of Faith church. We recognize your contribution and look forward to this being a meaningful relationship for all parties.

In addition to your time, however, there are a few requirements that will need to be addressed in order to comply with applicable Pennsylvania laws. Our Child/Youth Protection Policy (below) is meant to both protect our children and guide and protect those who work with them.

All volunteers who interact with our youth are required to submit the background clearances below that are accessible from the following government website:

<http://keepkidssafe.pa.gov/resources/clearances/index.htm>

- 1) Child Abuse History Clearance – PA Department of Human Services
(Pre-clearance – you will require addresses where lived since 1975)
Click on ‘Child Welfare Portal’ link to ‘Create Individual Account’ – When completing, request to receive a mailed copy of the clearance within 14 days
- 2) Criminal Record Checks for Volunteers - Pennsylvania State Police (PSP)
Click ‘Online Request’ link; PA Access to Criminal History (PATCH); Choose ‘New Record Check’ box (Volunteers Only); After completion follow instructions to print Certificate Form

There are no costs involved for the above volunteer background checks.

- 3) Federal Bureau of Investigations (FBI) Criminal Background Checks - Volunteers **who have NOT been a PA resident for the previous ten (10) years** would be required to obtain fingerprints. Information is provided to pre-register for digital fingerprints at www.identogo.com. You will need to supply the following code - 1KG6ZJ.

There is a cost associated with this background check and the church will reimburse you.

From the Church Child/Youth Protection Policy, your signature is required on the following:

- 4) Appendix H - acknowledgement and understanding of the policy
- 5) Appendix C – volunteers **who HAVE BEEN a PA resident for the previous ten (10) years**, must affirm they are not disqualified from service due to any offense or conviction.

Copies of the above items should be placed in the Personnel Committee’s mailbox to track compliance. Volunteers will be required to obtain clearances every 60 months.

Any questions can be directed to your committee chair or the Personnel Committee. The church appreciates your willingness to serve.

FAITH PRESBYTERIAN CHURCH, EMMAUS PA

CHILD/YOUTH PROTECTION POLICY

Children are a gift from God. Their instruction in the faith brings them into the fellowship of the church as students, worship participants, and seekers after God. Because children are vulnerable, it is the church's task to monitor those who educate and interact with them. It is this church's desire to provide an environment for our children safe from abuse. This policy statement is meant to both protect our children and guide and protect those who work with them. A child/youth is defined as anyone younger than age eighteen (18).

DEFINITIONS OF CHILD ABUSE:

The definition of abuse is to use wrongly or improperly; to hurt or injure by maltreatment; to assail with contemptuous, coarse, or insulting words; to denounce with abusive language; to revile.

The following definitions describe four (4) kinds of child abuse:

1. **CHILD NEGLECT** – Child neglect is defined as omission of the child's basic needs-physical, environmental, emotional, and nutritional-that are necessary for a child's physical and emotional well-being.
2. **EMOTIONAL ABUSE** – Emotional abuse involves verbal or non-verbal violence toward a child where the child receives input that he/she is "not good" and never will be.
3. **PHYSICAL ABUSE** – Physical abuse involves physical violence toward a child. Such maltreatment may be due to excessive corporal punishment. It could also occur in situations such as initiations or hazing.
4. **SEXUAL ABUSE** – Sexual abuse includes any form of sexual contact or exploitation in which a minor is being used for the sexual stimulation of the perpetrator. Such acts may range from fondling to sexual intercourse and involve touching and non-touching aspects. Child sexual abuse may be violent or non-violent. All child sexual abuse is an exploitation of a child's vulnerability and powerlessness in which the abuser is fully responsible for the actions. Child sexual abuse is criminal behavior that involves children in sexual behaviors for which they are not personally, socially, or developmentally ready. The abuser may be an adult, an adolescent, or another child.

CAUSE AND IMPACT:

Churches have traditionally accepted the services of anyone expressing an interest in working as a volunteer with children or youth. Churches by nature are trusting and unsuspecting institutions. Asking sensitive questions of those who are giving their time and talent can be seen as distasteful by church leaders. No one wants to offend present and potential workers, especially longtime church members with a history of good service. These characteristics can make a church such as ours susceptible to incidents of child abuse. The impact of a single incident of child abuse can devastate a church and divide the congregation. Members become outraged and bewildered; parents question whether their own children have been victimized; the viability of the church's youth and children's programs is jeopardized; and church leaders face blame and guilt for allowing the incident to happen. Such incidents often result in massive media attention, sometimes on a national scale. Community residents begin to associate the church with the incident of abuse. But far more tragic is the trauma to the victim and the victim's family.

FAITH PRESBYTERIAN CHURCH, EMMAUS PA CHILD/YOUTH PROTECTION POLICY

PREVENTION:

The good news is that we can take relatively simple and effective steps that will significantly reduce the likelihood of child abuse in our church. This policy contains the guidelines and screening procedures by which we can reduce the risk of such incidents from ever occurring. As we enter this prevention program, the main objective is to provide a safe and secure environment for the children who are entrusted to our church. As we do this, we also reduce legal risk and liability exposure.

Establishing and adhering to strict selection guidelines for volunteer and paid staff that have any interaction with our youth is of utmost importance. In order to support and affirm these selection guidelines, this policy is set in place and is to be followed in order to provide more than reasonable care for the youth participating in our programs and activities.

LEVELS OF SCREENING:

To ensure adequate legal safeguards, we will implement an effective screening program that is funded by the church. All paid and some voluntary personnel are subject to screening mandated by state law. Records will be maintained for all who are screened. Anyone who does not agree to complete the necessary forms and have the required investigative checks made will not be allowed to serve in the paid or volunteer position. .

SCREENING PROCEDURES

To be used with all applicants and church workers, full-time and part-time, including clergy and some volunteers, according to the guidelines set by the church.

For all paid staff*:

1. An employment application
2. A personal interview
3. Reference checks (2)
4. Completion of a Pennsylvania Criminal Record Check
5. Completion of a Pennsylvania Child Abuse History Clearance
6. Completion of a FBI Background Fingerprints
7. Completion of Mandated Reporting Training**

*Paid staff is defined as “responsible for a child’s welfare or having direct contact with children. Direct contact is defined as “provide care, supervision, guidance or control of children or have routine interaction with children”

**Exception for Paid Staff:

Church secretary, custodian and senior choir director are not required to complete Mandated Reporting Training.

The Pastor must also complete Boundary Training per Lehigh Presbytery requirements (2011). Boundary Training is to inform and to promote the prevention of sexual misconduct. The pastor shall be required to attend such programs every four years, and at a minimum must review this policy annually and attest in writing that the policy has been reviewed. Attendance and compliance records will be kept by the Stated Clerk.

For volunteers as identified/ specified below:

Volunteers that have any responsibility for children/youth shall be placed on a Mandatory Screening List By Name (Refer to Appendix A) The Mandatory Screening List By Name shall be updated and maintained by each Session committee and submitted to the Personnel Committee chairperson prior to their quarterly compliance audit. The clerk of session shall bring the Mandatory Screening List By Name to the January meeting for each

FAITH PRESBYTERIAN CHURCH, EMMAUS PA CHILD/YOUTH PROTECTION POLICY

committee to fill out and the list shall then be placed in the Personnel Committee mailbox for them to add to their spreadsheet.

The Chairperson of each committee shall arrange to have their portion of the list reviewed and updated on an as needed basis but at least every 3 months.

In addition to the Mandatory Screening List By Name, any volunteer who wishes to have their clearance documentation placed in church file may submit that information to the Personnel Committee chair.

Each volunteer on the "Mandatory Screening List" shall complete;

- Pennsylvania Criminal Record Check
- Pennsylvania Child Abuse History Clearance
- Act 153 Volunteer Affidavit- Appendix C **OR**
- FBI Background Check if not ten (10) year resident in Pennsylvania
- Acknowledgement and Signage Page- Appendix H
- Even though it is not required by Faith Church it is highly recommended that volunteers in contact with children complete the Mandated Reporter Training

BACKGROUND CHECK PROTOCOL:

The appropriate committee chair contacts the person in need of clearance checks and makes arrangements for securing clearances.

The individual will be given the Child Protection Policy which will contain the following Appendixes:

A – Responsible Individuals for Background Clearances and Mandatory Screening List by Name (A1)

B - List of background check websites

C – Act 153 Volunteer Affidavit

D – Emergency Information Form

E – Parental Consent Form

F – Incident Report Form

G – Criminal Background Check Voluntary Submittal Review

H – Acknowledgement and Signature page for receiving the Child Protection Policy

All these forms can be found in the office file bin

The individual will process the clearance checks on his/her own and he/she will be reimbursed for any cost incurred. This will give the individual the opportunity to view the clearances prior to submitting the forms. **All forms shall be placed in the mailbox of the Personnel Committee in the church office.** Clearance checks are valid for five (5) years unless the individual ceases to be an active participant in the church as defined in The Book of Order, G-1.04.

PERFORMANCE GUIDELINES:

The following list of guidelines is intended to provide process controls that will ensure that our children and youth are not placed in situations that allow abuse to take place. The guidelines also provide protection for our teachers, counselors, other volunteers, and paid staff that interacts with children by ensuring that they are not placed at risk of being accused of child abuse.

1. A minimum of one (1) adult/responsible individual with clearance checks shall be present during any church related activity involving children/youth. This rule shall apply and include, but is not limited to, Confirmation Class, Youth Group activities, musical rehearsals (choir and bells), Vacation Bible School programs, and child/nursery care provided during worship services or any other church related function.

FAITH PRESBYTERIAN CHURCH, EMMAUS PA CHILD/YOUTH PROTECTION POLICY

2. There will be no one-on-one situations. A second adult must be present or the meeting must take place with others around. This is always a good policy whether it is male and female, male and male, female and female, adult and child.
3. Programs that involve children shall always include adequate adult supervisory personnel. This supervision shall be maintained before, during and after each event/program until all youth are in the custody of their parent(s) or other recognized responsible person(s).
4. All adult personnel in leadership roles involved in overnight youth activities held off church property shall have the appropriate clearance. This includes at least one adult in the car that is furnishing transportation for these outings. There shall be at least one (1) female adult for every five (5) female youths and at least one (1) male adult for every five (5) male youths.
5. Permission shall be obtained in advance from a youth's parent or guardian for participation in any activities that originate on church property and involve transport of youths to continue the program at another location (Appendix D).
6. The use of alcohol, tobacco products, and controlled substances is prohibited at activities involving the participation by youth and children, including those activities on church property, at remote locations, and during travel to and from church sponsored activities.

MONITORING, OBSERVING, AND REPORTING:

Recognizing the importance of establishing and maintaining a safe environment for our youth, volunteer and paid staff members who have any interaction with our youth shall be responsible for monitoring and observing conduct at church sponsored activities. If misconduct is discovered and a child's well-being is at risk, immediate action is required to protect the child as listed below.

Responsibilities include, but are not limited to:

1. Any inappropriate conduct or relationship between an adult and a youth participating in any church program/activity or on church property shall be reported immediately to the Pastor, as our Mandated Reporter. The employee or volunteer shall provide written notice of a new arrest, conviction or substantiated child abuse to the Pastor no later than 72 hours after the arrest, conviction or notification that the person has been listed as a perpetrator in the Pennsylvania database. Appendix F is an incident report form.
2. The Pastor will notify Lehigh Presbytery as soon as practical after all required reporting has been completed. If the Pastor has a reasonable belief that the employee or volunteer was arrested or convicted for an offense that would constitute grounds for denying employment or participation in a church program or was named as a perpetrator in a founded or indicated report, or was an employee or volunteer who provided notice as required under this section, the Pastor shall immediately require the employee or volunteer to undergo the screening process set out above. The cost of the screening process will be borne by this Church.
3. Any person that violates the policy or fails to follow the policy's rules and guidelines shall have his/her services suspended or terminated immediately.

FAITH PRESBYTERIAN CHURCH, EMMAUS PA CHILD/YOUTH PROTECTION POLICY

COMPLIANCE CHECKS:

The Personnel Committee will meet quarterly and supply an annual audit report of their findings to Session. Each quarter the Personnel Committee shall complete an inventory of the background check forms. The quarterly progress results will be sent to the committee chairperson, with a copy sent to the Stated Clerk and Pastor. An annual audit report will be prepared and presented to Session. The audits will be conducted during the last month of every quarter.

If an individual's submitted PA state "Child Abuse" form notes a historical case of reported Child Abuse, that particular case will be given to the Pastor and Stated Clerk for further review and action within one month at a special Session meeting. All such activities will be convened in confidential meetings and clearly noted in the minutes of each meeting. It should be understood by the individual submitting such a form, the contents of the Child Abuse form may become public knowledge.

If an individual's submitted PA state "Criminal Background Check" form notes a historical case of criminal activity, that particular form shall be given to the Pastor, Clerk of Session, and Chair of Personnel Committee for further review and determination. These three (3) position holders must review such a submitted Criminal Background form. As judged appropriate by majority of these three positions, a waiver form may be granted and signed by the affirmative voters. The signed waiver shall be stapled to the appropriate page in the FPC confidential book of Criminal Background Checks. A sample waiver form is attached (see APPENDIX G). If a submitted Criminal Background Check form notes a historical case of criminal activity, under no circumstances will that form not be reviewed and acknowledged by a signed waiver. If a waiver is not signed, such a case will be reported to Session for further review and determination.

In all cases, new PA state background checks are required every five (5) years by state law. The above audit review and determination process will be repeated whenever an individual submits a new PA dated background check form. If any new crimes are noted on the new form, those new crimes will be reviewed and noted on an additional APPENDIX G waiver form and reviewed as described above. Seven years after a position holder leaves office (or volunteer helper leaves), all of these old forms (and attached waiver forms, if any), shall be destroyed.

In each case of reported Criminal Background activity, the confidential activities and signed waiver (if any) will not be reported to Session members, unless the majority of these position holders determine Session should be advised [and the risk of public disclosure is warranted.] However, all reported cases of Child Abuse or positive Child Abuse background check forms shall be reported to Session.

COMPLIANCE:

Staff- If staff are non-compliant; they will be placed on unpaid Administrative leave until all requirements are satisfied.

Volunteers- Must be compliant before being responsible or part of any activity involving children.

FAITH PRESBYTERIAN CHURCH, EMMAUS PA CHILD/YOUTH PROTECTION POLICY

POLICY FOR CHURCH YOUTH/CHURCH SCHOOL ACTIVITIES

Emergency Information Form:

Youth Group and their associated outings should have a copy of an up-to-date EMERGENCY INFORMATION FORM (Appendix D) on file with the church office. After the initial completion of this form, it will be the responsibility of the parent or guardian to maintain it up-to-date. The Discipleship Committee will examine the file at the beginning of every school year to ensure the compliance of this policy. It is expected that the EMERGENCY INFORMATION FORM be updated every school year by parent/guardian.

Parental Consent Form:

It is the church's policy that every child unaccompanied by a parent/guardian who participates in any activity/event that travels outside the church's perimeter must have the PARENTAL CONSENT FORM signed by a parent or a guardian (Appendix E). This requirement is in addition to the up-to-date EMERGENCY INFORMATION FORM as described above. Copies of this form can also be found in the church office

Transportation:

It is the church's policy that transportation for church sponsored activities will be provided by licensed adult drivers (21 years of age). Exception to this policy will require mutual parental written permission. It is the responsibility of the designated leaders of the activity to enforce this policy.
